SSC Board Meeting

The Student Sustainability Committee is a group of undergraduate and graduate students dedicated to building a more sustainable Illinois campus, with the partnership of a team of staff and faculty members. SSC allocates funds annually toward the development and seed-funding of projects that have an environmental impact on the university community.

d. New Illinois Green Fund Logo

i. Notes from Mark Stinson: "Adding the Block I or campus wordmark would not be in line with the campus branding guidelines. In most cases (if not all) where you are looking to use this logo, the Block I or wordmark would be included elsewhere on the piece whether it is the website, a printed piece, t-shirt, etc. If putting on social media, then it would be associated with your official UIUC channel.

1. Meant to give the SSC fund a proper name, many other universities have something similar

ii. **Option 1 – Preferable by most members but have it say "University of Illinois Green Fund" or "The U Of I Green Fund" instead of "The Illinois Green Fund"**

iii.

iv. Option 2

v.

vi. Option 3

vii.

viii. Option 4
